

CONVERTIBLE CLASSROOM PRICING

ESTIMATED
\$130,000*
PER CLASSROOM

CLASSROOM:

\$6,000 Design

\$64,000 Fabrication/
Installation

THEME:

\$2,000 Design

\$28,000 Fabrication/
Installation
including learning activities

For example, the estimated cost for a school with 6 classrooms and 12 themes shared between the rooms would be \$780,000.

Infrastructure package includes elements that remain in the space, regardless of theme, including the fabric mural frame system, storage elements, magic door and monitor, puppet theatre, graphic tables, sensory tables, light table, stools, and more.

This is an estimate and based on averages.
